

**THOMSON
WEST**

Introducing the July 2007 Redesign of TWEN

Released on July 18th, 2007

July 2007 Release Enhancements

- Fresh, streamlined log-on page
- New design for TWEN home page
- Updated & flexible design for TWEN pages
- New Document Pages with easier uploading and customization options
- Forums are easier to read and customize

THOMSON
WEST

Current TWEN Home Page

This screenshot shows the current TWEN home page for a faculty member. It features a top navigation bar with 'HOME', 'WESTLAW RESEARCH', 'TWEN', 'WESTLAWWORKS', and 'LEGAL BOOKSTORES'. Below this is a 'My Profile' section with links for 'Welcome East', 'Administrative Tools', 'Internal Administration Page', 'Create a New Course', and 'Download a Course'. The main content area is titled 'THOMSON - WEST UNIVERSITY' and lists several courses with expandable/collapsible options. A 'West Links' sidebar is also present.

Redesigned TWEN Home Page Faculty View

This screenshot shows the redesigned TWEN home page. It has a cleaner, more organized layout. The 'My Courses' section is prominent, displaying course details like 'Georgetown Law Center Courses' and 'International Courses'. A 'Master Calendar' is visible on the right side, and there are sections for 'Upcoming Events' and 'Recently Viewed' items. The overall design is more modern and user-friendly.

Home Page Center Pane Faculty View

This screenshot highlights the center pane of the redesigned TWEN home page. Callout boxes provide details about several features:

- Cookie Crumbs:** Located at the top of the page.
- Links to My Courses Page, Faculty Programs and File Directory for faculty:** Located in the top navigation area.
- Expandable / Collapsible Course Announcements:** Points to the course listing area.
- Separate listings for active and hidden courses (unavailable to students):** Points to the 'My Courses' section.
- Create, Add or Drop a Course:** Points to a button in the course listing area.
- View course materials and new posting alerts from home page:** Points to a button in the course listing area.
- Icons to indicate your user type: Pencil = Administrator, Book = Participant, Spectacles = Observer:** Points to user icons at the bottom of the page.

Home Page Right Pane Faculty View

This screenshot highlights the right pane of the redesigned TWEN home page. Callout boxes provide details about several features:

- Master Calendar – stores all courses related events:** Points to the calendar widget.
- Upcoming Calendar Events – next 7 days:** Points to the 'Upcoming Events' section.
- Most recently viewed items from TWEN courses – last 5 items accessed:** Points to the 'Recently Viewed' section.

Document Page Redesign

Cleaner, more intuitive and greater functionality

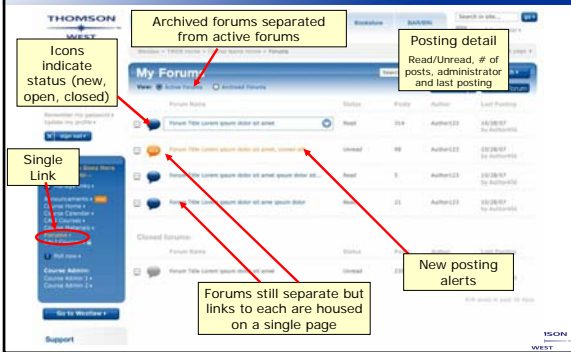

Current Forum View

Tree view forces users to click posting title to view to message

Forum Home Page - Centralization

Single link replaces clutter of multiple links on the left menu

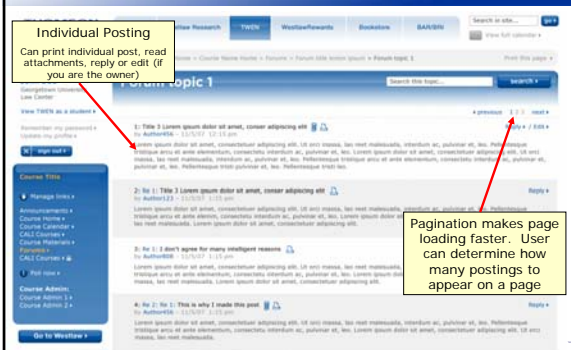

Forum Redesign – Individual Forum Page

Multiple topics make for easier categorization

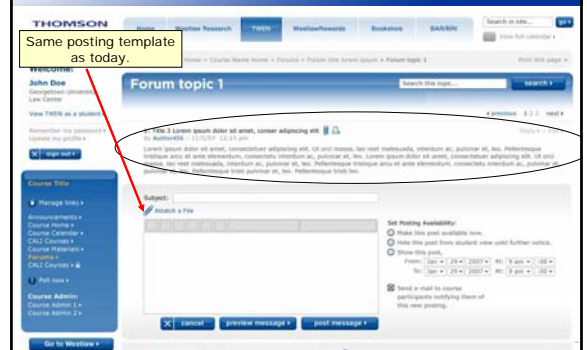

Forum Topics

Sleek flat view allows you to quickly read messages

No more flipping

View the text of the posting to which you are responding

While TWEN will be more intuitive than ever before, an online tutorial, print and PDF guides, live training (where possible) and more resources are available to orient you to the new design.
